3. How to Find Your Village Name

Since the lists are released district-by-district, follow these steps to check for your specific village:

- Wait for January 31, 2026: NHAI has set this deadline to publish the full list of tehsils, villages, and Khasra (plot) numbers in the official Gazette.
- Check Local Tehsil Notice Boards: Once the Section 3A notification (Intent to Acquire) is issued for your district, the list is pasted at the local SDM (Sub-Divisional Magistrate) or Tehsil office.
- Search for "Bainama" or "Notification": On your district's official website (e.g., bijnor.nic.in or bareilly.nic.in), look under the "Notices" or "Land Acquisition" tab for recent PDF uploads.
