

Jungkook - 3D Lyrics (feat. Jack Harlow)

1 2 3d

I cant touch you through the phone

Or kiss you through the universe

In another time zone

Its the only time i cant reverse

But when there's 2 dimensions

There's only 1 i'm missing

And if you feel alone

You don't have to feel that no more

I just wanna see you like that

See you like that uh uh

So if you're ready

And if you'll let me

I wanna see it

In motion in 3d

You wont regret me

Champagne confetti

I wanna see it

In motion in 3d

'Cause you know how i like it girl

3d

You know how i like it girl

3d

Body to body to body to body to body

You and me baby you know that we got it

So don't go getting me started

'Cause you know i get hot hearted

Baby oh baby oh baby you making me crazy

Rain rain rain you cant fake it

You give me brand new emotion

You got me drinking that potion

I just wanna see you like that

See you like that uh uh

So if you're ready

And if you'll let me

I wanna see it

In motion in 3d

You wont regret me

Champagne confetti

I wanna see it

In motion in 3d

'Cause you know how i like it girl

3d

You know how i like it girl

'Cause you know how i like it girl

You know how i like it girl

I'm on my jung kook(jk)
Take a chick off one look
And when they get took
They don't ever get untook

When i seen that body
You would think it was a dead body
The way i told my boys come look
I used to take girls up to stony brook
And steal they hearts like some crook

True story
Now when i hold somebody's
Hand its a new story
All my abgs get cute for me

I had one girl too boring
2 girls that was cool for me
3 girls damn dudes horny
4 girls okay now you whoring

Hey hey hey hey i'm loose

I done put these shrooms to good use
I done put my city on my back
And the world know my name i'm the truth

So if you're ready
And if you'll let me
I wanna see it
In motion in 3d

You wont regret me
Champagne confetti
I wanna see it
In motion in 3d

'Cause you know how i like it girl

You know how i like it girl

'Cause you know how i like it girl

Speaking of bucks i got those

And as for fucks well not those

And as for thots well do

You really wanna know? I thought so

Ill fly you from korea to kentucky

And you ain't gotta guarantee me nothing

I just wanna see if i get lucky

I just wanna meet you in the physical

And see if you would touch me
