

DREAM HOME

Making your dream come true.

Your home is a reflection of who you are, your tastes, preferences and stories. You constantly strive to make it your dream home. At Dulux, we are bringing you closer to that dream.

Here are four exclusive colour palettes recreated basis the architectural designs and lifestyles that inspire you,

be it classical architecture, dynamic modern buildings achieved by simple linearity, a house surrounded by nature or the tranquility of coastal life. We have just the right palette for you. Live your dream by simply choosing from CLASSIC ELEGANCE, MODERN CONTEMPORARY, TROPICAL RETREAT or COASTAL CHARM.

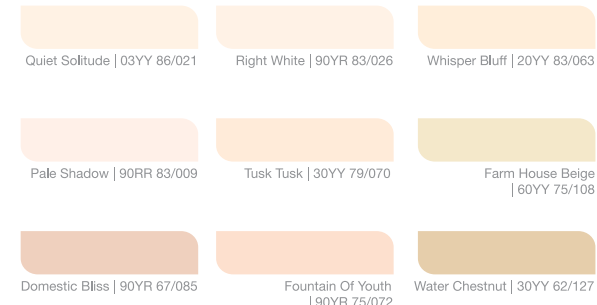

Classic Elegance

This palette speaks of timeless beauty and sophistication of classical architecture. This exquisite yet classic palette includes softer tones of beiges & creams and the ageless off-whites.

Please refer to the inside shade card chips for accurate shade reference.

Classic Elegance

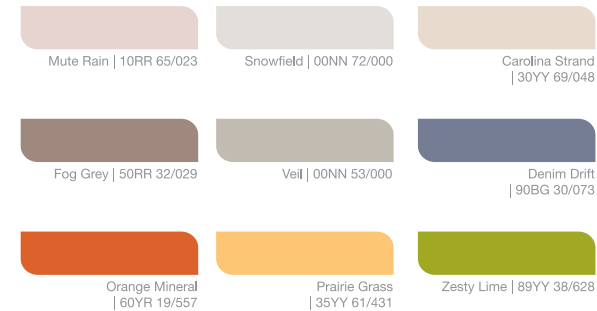

Modern Contemporary

Inspired by the balance and steadiness achieved by simple linearity in form and function, this palette offers a rare mix of greys and darker muted hues. Expressing bold aesthetics and style, this palette brings you a world of infinite possibilities where bright pop colours give life to washed greys and cool neutrals.

Please refer to the inside shade card chips for accurate shade reference.

Modern Contemporary

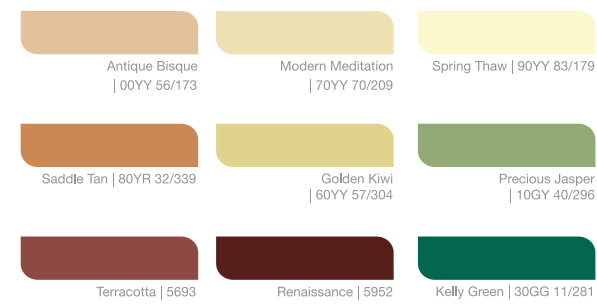

Tropical Retreat

Walk away from the urban jungle and let nature be the inspiration for your tropical haven. Find your peace of mind amidst a range of invigorating colours, from muted greens and olives to the hues of pebbles and sand, to warm and welcoming dark browns. Clad your roofs with Terracotta tiles to complete your living-close-to-nature experience.

Please refer to the inside shade card chips for accurate shade reference.

Tropical Retreat

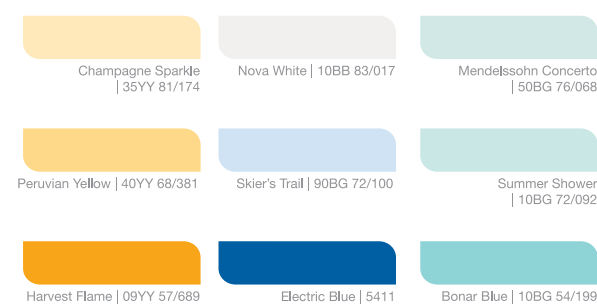

Coastal Charm

Inspired by the tranquility of the seas, sun-kissed beaches and the warm and lively coastal living, this palette is replete with aqua blues and sunshine yellows. Beautify your roofs with rich and intense Sunrise and Electric Blue tiles, which take you on a seaside journey.

Please refer to the inside shade card chips for accurate shade reference.

Premium Exterior Range

Dulux Weathershield is a range of technologically advanced products, specially designed to protect India's homes from its unique climate. Weather it is bricks, stones, tiles or regular plaster, Weathershield conserves the essence of each medium impeccably, making it the choice of builders, architects and homeowners across the country. At Dulux, we invest ourselves in years of research and development to bring to you the best exterior painting solutions. Our products are backed by innovative, high performance technologies like Active Guard that continuously protects from Cracks and Fungus day after day.

Recommended system to be used for Exteriors

Powerflexx Hydroshield System is the recommended system for waterproofing your homes. It consists of the potent combination of Weathershield Powerflexx and Aquatech Flexible Basecoat to form a strong protective film that is capable of withstanding against extreme rain assault and dampness issues.

It provides:

- 10 years of film integrity
- 10 years of fungal resistance
- 10 years of waterproofing
