GOLDEN STATE WARRIORS 2023-24 GAME NOTES

DEJAN MILOJEVIĆ

April 15, 1977 – January 17, 2024

Golden State Warriors assistant coach Dejan Milojević (DAY-ahn mi-lo-yo-vihch) was hospitalized Tuesday night, January 16, in Salt Lake City, Utah, after suffering a heart attack at a private team dinner. Despite life-saving efforts, Milojević, 46, passed away late Wednesday morning.

“We are absolutely devastated by Dejan’s sudden passing,” said Warriors Head Coach Steve Kerr. “This is a shocking and tragic blow for everyone associated with the Warriors and an incredibly difficult time for his family, friends, and all of us who had the incredible pleasure to work with him. In addition to being a terrific basketball coach, Dejan was one of the most positive and beautiful human beings I have ever known, someone who brought joy and light to every single day with his passion and energy. We grieve with and for his wife, Natasa, and their children, Nikola and Masa. Their loss is unfathomable.”

Milojević was in his third season as an assistant coach with the Warriors and was a member of the team’s coaching staff during Golden State’s run to the 2022 NBA Championship. Before joining the Warriors, Milojević spent the 2021 season as head coach of KK Budućnost in the Adriatic League in Montenegro.

Prior to KK Budućnost, Milojević served as the head coach for KK Mega Basket in Belgrade, Serbia, for eight seasons (2012-20). In December 2019, he was named an assistant coach for the Serbian national team under Igor Kokoškov. Milojević was a member of the Atlanta Hawks Summer League staff in 2016, the San Antonio Spurs in 2017 and the Houston Rockets in 2018.

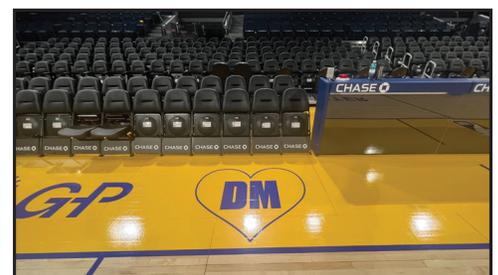

A native of Belgrade, Milojević enjoyed a 14-year international playing career and was named the Adriatic League Most Valuable Player three times (2004-06).

The Warriors will wear a ‘DM’ patch on their uniforms for the remainder of the season in honor of assistant coach Dejan Milojević.

Additionally, the ‘DM’ logo will appear on the Chase Center court apron for all remaining home games this season

Curry owns five of the top six spots on the NBA's single-season 3-pointers made list. The 357 threes are the second-most 3-pointers made in a single season for Curry, trailing only his NBA-record 402 in 2015-16.

92.7

Warriors rookie guard **Brandin Podziemski** averaged 9.2 points (45.4 FG%, 38.5 3P%, 63.3 FT%), 5.8 rebounds, 3.7 assists in 26.6 minutes per game in 74 appearances (28 starts). In his 28 starts this season (Warriors 17-11), Podziemski averaged 9.5 points (42.9 FG%, 33.7 3P%, 72.7 FT%), 6.3 rebounds, 4.0 assists, 1.0 steals in 29.8 minutes per game. As a reserve, Podziemski averaged

9.1 points (47.1 FG%, 42.3 3P%, 56.5 FT%), 5.5 rebounds, 3.5 assists in 24.6 minutes per game in 46 appearances.

With a plus-264, Podziemski led the Warriors in plus-minus this season (**Stephen Curry** was second with a plus-189) and second among the 2023-24 rookies (**Chet Holmgren** led with a plus-423). His 61 steals were the second-most on the team behind **Chris Paul** (70) and his total rebounds (427) led the team and was the most for a Warriors rookie in a single season since **Joe Smith** grabbed a team-high 717 in 1995-96.

Podziemski led the NBA for the most charges drawn (38) this season (had three on 2/23 vs. Charlotte). Among rookies, Podziemski ranked fifth in assists, sixth in rebounding, 10th in scoring, 10th in steals, eighth in minutes, third in 3-point field goal percentage.

In 17 games this season Podziemski recorded at least 10 points, five rebounds and five assists, the second-most such games by a rookie this season behind **Victor Wembanyama's** 23. It was the most for a Warriors rookie since **Stephen Curry** had 26 such games in 2009-10.

With seven double-doubles this season, Podziemski had the most double-doubles for a Warriors rookie since **Stephen Curry** had 12 in 2009-10. Podziemski recorded double-doubles in three straight games (2/2-2/5) - the first Warriors rookie to do so since Curry also had three straight (2/10-2/17/10). In those three games, Podziemski did not record a turnover, joining **Troy Murphy** (four double-doubles in 11/15-11/20/02) as the only two Warriors to record three consecutive double-doubles without a turnover since individual turnovers were first tracked in 1977-78. Since 1977-78, Podziemski is the first NBA rookie to record three straight double-doubles without a turnover since individual turnovers were first tracked. Podziemski is only the second guard to record three double-doubles without a turnover, joining **Tyrese Haliburton** (11/25-11/28/22).

Three of Podziemski's double-doubles came off the bench (**Trayce Jackson-Davis** has four double-doubles off the bench this season).

On February 2 at Memphis, Podziemski dished out a career-high 14 assists without a turnover, becoming the first Warriors rookie to accomplish the feat since individual turnovers were first recorded in 1977-78, according to the Elias Sports Bureau. Podziemski became the sixth NBA rookie since 1977-78 to record that many assists without a turnover, joining **Brevin Knight** (twice), **Ben Simmons**, **Kendall Marshall**, **Kevin Johnson** and **Mark Jackson**.

Prior to this season, the last time the Warriors went 17-4 in a 21-game span on the road was during the 2018-19 season. Twelve of the Warriors' 16 road wins have been by 10-or-more points and five by 20-or-more.

- On 11/3 at Oklahoma City, dished out 13 assists (no turnovers) in 28 minutes off the bench, becoming the first Warriors player off the bench to record that many assists without a turnover (prev. 10, Andre Iguodala, 12/14/17) since 1977-78, when individual turnovers were first tracked.
- With 21 assists and no turnovers in two games, Paul became the first Warriors player (start or come off the bench) to record that many assists without a turnovers in a two-game span, since 1977-78 when individual turnovers were first tracked, according to the Elias Sports Bureau (8 AST on 11/1/23 vs. SAC, 13 AST on 11/3/23 at OKC).
- Paul is only one of five players to ever have that many assists with zero turnovers in a two-game span off the bench since 1977-78 - Jose Calderon (22 AST in 2007-08), Earl Boykins (21 AST in 2004-05), Rory Sparrow (23 AST in 1984-85), and John Lucas (21 AST in 1981-82).
- The last time a player had 21-or-more assists in a two-game span, starting or coming off the bench was Indiana's Tyrese Haliburton (started both games) who had 25 assists in two games in L.A. (11 AST on 11/27/22 at LAC and 14 AST on 11/28/22 at LAL).
- On 11/8 at Denver, streak of 31 consecutive assists without a turnover ended. It was the third-longest stretch in Paul's career.
- On 11/18 vs. Oklahoma City, recorded his second double-double of the season with 12 points and 11 assists (no turnovers). It was the second time this season and the 57th time in his career Paul has recorded at least 10 assists without a turnover, the most such games since individual turnovers were first tracked in 1977-78, according to the Elias Sports Bureau. In Warriors franchise history, the most games with 10-or-more assists and zero turnovers in a single season is three, held by Tim Hardaway (1990-91) and Muggsy Bogues (1997-98).
- On 11/20 vs. Houston, since 1977-78 season, when turnovers were first tracked for individual players, Paul this season is the only player with at least 115 assists and 18-or-fewer turnovers over his first 15 games of a season.

The last NBA player to do this was Russell Westbrook in four consecutive games in 2022-23. On 12/19 vs. BOS, dished out 12 assists without a turnover, the third game this season with 10-or-more assists and no turnovers, tied for second-most such games. Paul is the only player this season to have a 10-assist, 0-turnover game coming off the bench.
